

SAFETY DECLARATION

Product Description	V8 Maintenance Buffer
Product Code	830200

The product as received is an IVD kit containing the following materials:

Product Code	Product Description	SDS Product Identifier
HL-3-2121SA	V8 MAINTENANCE BUFFER	HL-6-0671MS

Each material has been assessed for the chemicals used in its manufacture. Please refer to the table above for the SDS of materials that contain hazardous materials at a concentration that requires hazard warnings to be applied to the label and/or hazard statement.

If the product contains additional materials which were found to contain no hazardous substances or contain them at concentrations or quantities less than those requiring classification under EU regulation 2015/830 or EU regulation 1272/2008, these are defined as not applicable (N/A).
